ARTICLE 11 – GRIEVANCE PROCEDURE

11.01 Definition of Grievance

A grievance will be defined as any difference arising out of the interpretation, application, administration, or alleged violation of the Collective Agreement.

11.02 In the event of any difference arising from any point listed in Clause 11.01, it will be settled in the following manner.

11.03 Informal Discussion

An employee will first seek to settle the difference through discussion with their direct supervisor within fifteen (15) working days of the date they first became aware of the occurrence giving rise to the difference. The Employer/employee may choose to have a Shop Steward or Local Executive member present. The direct supervisor will respond within fifteen (15) working days from the discussion taking place.

11.04 Level 1

If the difference is not resolved during an informal discussion, it will be submitted in writing by the Union to the Director, People and Culture within fifteen (15) working days from the date the response was received from the Dean, Director or involving the direct supervisor.

The Director, People and Culture or the designated officer will submit a written reply to the employee and the Union within fifteen (15) working days of the submission of the grievance.

The Party to whom the suggestion is made is free to accept or reject the suggestion within 15 working days. Grievances will only be referred to mediation if both Parties so agree. The Parties agree to share equally the fees and expenses of the Mediator unless the Parties and the Mediator otherwise agree. If the mediation resolves the grievance, the Mediator will provide the Parties with a report outlining the basis for settlement. If mediation does not resolve a grievance, either Party is free to start proceedings to resolve the grievance.

11.08 Level 5 – Arbitration Board

Failing settlement at Levels 2 or 3, either Party may refer the grievance to arbitration by providing written notice to the other Party within twenty (20) working days of the reply at Levels 2 or 3. The notice of referral will:

- (a) be delivered by hand, registered mail, receipted courier service, or read receipt email,

- (b) contain a statement of the grievance, and
- (c) state the name and address of the referring Party's appointee to the Arbitration Board.

11.09 The responding Party will, within ten (10) working days after receiving notice of referral to arbitration, name its appointee to the arbitration board and will send written notice to the referring Party.

11.10 The two appointees will, within fifteen (15) working days of the appointment of the second of them, appoint a mutually acceptable third party to serve as Chair of the Arbitration Board.

11.11 If the two appointees fail to agree upon a Chair within the required time limit, either Party may, giving five (5) days' notice to the other, make an application to the Director of Mediation Services of Alberta to appoint a Chair for the Arbitration Board.

11.12 If the Chair or any member of the Arbitration Board refuses to act or is or becomes incapable of acting, a new Chair or member may be appointed in the same manner as the original Chair or member was appointed.

11.13 No person will be disqualified from acting as a member of the Arbitration Board unless that member is directly affected by the grievance or has been involved in an attempt to negotiate or settle the grievance.

11.14 The expenses and remuneration of the persons appointed under Clauses 11.07 and 11.08 will be paid by the Party making the appointment. The expenses and remuneration of the Chair of the Arbitration Board will be paid in equal shares by the Employer and the Union.

11.18 The award of the Arbitration Board will be served by the Chair on the Parties to the grievance by double registered mail, personally, by receipted courier service, or by such other means as may be acceptable to the Parties. The Chair of the Arbitration

Board will, at the request of any of the Parties to the grievance, make an affidavit or an affirmation that the award has been served.

- (c) The time limits will be exclusive of Saturdays, Sundays and Statutory Holidays.
- (d) The time limits may be extended by mutual agreement in writing.

11.21 Variance from Grievance Procedure

Either the Union or the Employer may propose to the other Party that a grievance be submitted to a sole Arbitrator. In making such a proposal, the Party will specify the name or a list of names of the person or persons it is willing to accept as sole Arbitrator, instead of the name of an appointee as required by Clause 11.08 (c). The other Party will, within ten (10) working days:

- (a) agree to such submission, accepting the person or one of the persons proposed,
- (b) agree in principle to the appointment of a sole Arbitrator, and submitting the name or names of the person or persons it is willing to accept as sole Arbitrator, or

Such permission will not be unreasonably withheld.

The Employer's Representative for each step of the grievance procedure will be required to meet with the grievor and the Union representative before rendering their decision in writing.

12.01 The position of every employee covered by this Collective Agreement will be evaluated (classified) and assigned to the appropriate salary band in accordance with Keyano College Procedure 3.37 (Support Staff Classification).

12.02 The Employer may, when deemed necessary, draw up job fact sheets and may ask employees to fill such positions at the appropriate salary range. The Employer, when making substantial changes to the job fact sheet for an existing position, filled or unoccupied, will submit the new fact sheet to the Job Classification Committee for appropriate salary banding. In case of a filled position, the incumbent will be consulted and allowed to provide input into such changes before they are implemented.

12.03 An employee, on request to their supervisor, will be provided with a copy of their job fact sheet.

12.04 In the event an employee is reclassified to a classification with a lower basic rate of pay, the employee will continue to receive their previous basic rate of pay until the basic rate of pay for the lower classification is equal to or greater than their previous basic rate of pay. In the event the Employer changes the allocation of the work being performed by a permanent employee to a classification with a higher basic rate of pay, the employee will be placed at the appropriate rate in the new salary band.

12.05 Reclassification Process

- (a) In the event that an employee considers that their current position is not correctly classified, the employee may apply for reclassification according to Keyano College's Procedure 3.37. Electronic copies of all postings are to be supplied concurrently to the Secretary of CUPE Local 2157. In the event that a full-time or term position has become vacant and has not been filled within three (3) calendar months of the vacancy, the Employer will, upon request, provide CUPE Local 2157 with a summary of the status of the competition and the reasons for the delay in filling the position.

13.03 Selection Procedure

The Parties agree that the opportunity for career advancement should increase with the length of seniority. Selection will be carried out in the following sequence:

- First – the College will interview all qualified applicants from within the Bargaining Unit, then;
- Second – the College may interview qualified applicants from outside the Bargaining Unit, and
- Third – the College will offer the position to the interviewed candidate possessing the best combination of qualifications, ability and performance.

Where two (2) or more interviewed candidates are judged to be relatively equal in qualifications, ability and performance, the applicant among them having the most seniority will be offered the position.

13.04 The College reserves the right to fill a vacancy on a temporary basis until the position is filled in accordance with this Article. However, Temporary, Term and Casual Employees will not be used as long-term replacements for permanent positions.

13.05 Probationary Period

The probationary period for all employees, other than casual, will be six (6) months. Any absences for periods of five (5) or more consecutive working days may be added to the initial six (6) months probationary period. In addition, if required, the employee's probationary period may be extended up to an additional three (3) months provided the reasons for the extension are given in writing to the employee and the Union.

Should an employee within the initial six (6) months probationary period, through the competition process, be transferred or promoted to another position within the Bargaining Unit, the employee will serve another probationary period as per this Clause.

Upon successful completion of the probationary period, the employee will become a Permanent Employee.

If no performance review has occurred by the end of the sixth (6th) month anniversary date, the employee will be deemed to have had a positive review.

When a Permanent Employee is transferred or is promoted by the College, they will be assessed for a period of three (3) months. If required, the employee's assessment period may be extended up to an additional three (3) months providing the reasons for an extension are given in writing to the Union and employee.

Upon successful completion of the assessment period, the employee will be confirmed in the transferred or promoted position. In the event that the applicant proves unsatisfactory in the position during the aforementioned assessment period, or if the employee finds themselves unable to perform the duties of the new position, the employee will be returned to their former position or equivalent position at the previous wage or salary and without loss of seniority.

Any other employee promoted or transferred because of the rearrangement of positions may also be returned to their former position at the previous wage or salary without loss of seniority.

13.07 Acting Incumbency Pay – Union to Union Positions

Acting incumbency pay will be paid to an employee who is directed to perform the principal duties of a higher-level position on a temporary basis for a period of three (3) consecutive workdays or more. An eligible employee will be paid acting incumbency pay for the total period of acting incumbency, including the three (3) day qualifying period. An employee receiving acting incumbency pay may also be required to perform some of the duties of their regular position.

If an employee is required to fill more than one position within the College due to unfilled positions, acting incumbency pay will apply.

Acting incumbency pay will be the employee's current salary plus a ten percent (10%) premium of that salary or the rate of the higher-level position, whichever is greater.

Employees may, by mutual agreement, be temporarily seconded to Faculty or Administrative positions. Employees who are seconded to Faculty or Administration positions will be eligible during their secondment for compensation, holiday, vacation, and medical benefits according to the terms of the Faculty Agreement or relevant College policy, as applicable. When the College proposes to enter into a secondment agreement with an employee, that employee will have the right to discuss the proposed agreement with a CUPE Local 2157 representative before signing. Seconded employees will have the right to return to their previous positions at any time during the secondment. Two (2) weeks' notice must be given by either the Employer or the employee of the desire to return to the previous position.

An employee will only be seconded to a position outside the Bargaining Unit for a maximum period of eighteen (18) months. The employee must return to the Bargaining Unit for a minimum of sixty (60) days before being seconded to another Faculty or Administrative position.

- 13.09 Permanent Employees who accept temporary or term positions will retain their permanent status, seniority and all rights to the Collective Agreement.

ARTICLE 14 – SENIORITY

14.01 Seniority Defined

Seniority is defined as the length of service in the Bargaining Unit from the date of hire. Seniority will operate on a Bargaining Unit wide basis. Those employees presently employed within the Bargaining Unit but hired with the Employer prior to certification will have their seniority effective from the original date of employment. Any authorized leave will not result in a loss of seniority.

14.02 Seniority List

The College will maintain a seniority list showing the date upon which each employee's service commenced. An up-to-date seniority list will be included with the monthly dues check off report (see Clause 3.01) and sent to CUPE Local 2157 by email.

14.03 Employees Initial Hire Seniority

After completion of the probationary period, seniority will be effective from the original date of employment.

Employees will be paid in accordance with the appropriate salary band for their classification, established in Appendix A attached to and forming part of this Agreement. On each payday, each employee will be provided with electronic access to an itemized statement of wages, overtime and other supplementary payments and deductions.

The Employer will not make deductions from wages or salary unless authorized by the employee, statute, court order, arbitration order, or by this Agreement.

Overpayment will be recovered by the Employer after advising the employee. The College will not initiate recovery of overpayments after six (6) months have elapsed but may initiate recovery of fraudulent overpayments at any time. To avoid potential hardship to employees, reasonable repayment schedules will be established with the Employer, Employee and Union. Repayment will never reduce an employee's wage to less than minimum wage.

15.02 The payment of wages will be made by the Employer to the employee as follows:

- (a) The first pay will be paid on the fifteenth (15th) day of each month. When the fifteenth (15th) day of a month falls on a Saturday or Sunday, the pay date will be on the preceding Friday. Apprentices will not lose benefits, seniority, and wages while attending schools as required by the *Alberta Apprenticeship and Industrial Training Act* and/or Branch. However, in consideration of this support, any Training Allowance received by the Apprentice while attending school will be remitted to the College. Deduction for the Training Allowance will not occur until the employee is in receipt of the Allowance. The Apprentice will return service to the College on the basis of two (2) months' service for each month of school attendance. Should the Apprentice fail to return service, the Apprentice will be liable to repay all or a portion of the benefits and wages received while attending school on a pro-rated basis. The Apprentice will, in addition to the terms and conditions of this Collective Agreement, also be subject to the terms and conditions of employment upon hiring as set forth in the Policy and Procedure 3.46 – Trades Apprenticeship positions.

(a) If the Employer fails to give the required notice under Clause 16.05 any employees required to work on short notice will be paid one and one-half ($1\frac{1}{2}$) of their regular rate of pay on the first shift of short notice.

Clause 16.05 (a) will not apply if the shift change is initiated by the employee.

(b) There must be a minimum of twelve (12) hours of rest between work shifts for all employees, except those employees who are on-call and are called into work.

The employee will be compensated for their regular working hours to maintain the twelve (12) hour rest period and will attend to the remainder of their shift after the twelve (12) hour rest period has elapsed.

The utilization of compensatory time off will be determined by mutual agreement. Failure to agree will result in compensatory time being added to the vacation period subject to Clause 17.02 (a).

- (a) Compensatory time off in lieu of payment may be accumulated up to December 31st of each calendar year. Compensatory time off may not be carried forward more than twenty (20) working days into the new year and not later than January 31st. LETTER OF UNDERSTANDING #1

BETWEEN

KEYANO COLLEGE

AND

CANADIAN UNION OF PUBLIC EMPLOYEES LOCAL 2157

RE: Salary Grid Definition

The purpose of job classification is to provide a consistent, equitable means by which to evaluate a position and place it on the salary grid. The system provided by Watson Wyatt will be the base upon which the classification committee will function. Placement of a position on the grid is tied directly to the job fact sheet developed for each position. The job fact sheet will state all the responsibilities and duties that are to be conducted by the employee. If the job fact sheet is substantially changed, it will be submitted to the classification committee for review and placement in accordance with Clause 12.01.

The classification committee will consist of four persons, two each from Administration and CUPE Local 2157. This committee will meet as required. Each group will be responsible for maintaining the necessary training for its representatives.

The salary grid for each division contains up to eight salary bands, representing different levels of evaluation. Each band contains five salary steps. Step 1 is the start rate, Steps 2, 3 and 4 represent successive years of service, and the last step is a Long Service Increment.

Lateral progression through the salary grid reflects service. Any restriction to lateral movement may be challenged under Clause 11.01 of the Collective Agreement.

Vertical progression may be achieved through promotion to a higher-banded position or through re-evaluation of an employee's current position as a result of a change in responsibilities. When an employee is moved to a higher salary band, there will be no reduction in salary.
